

### **What meeting planners are saying about Hotel Sorella CITYCENTRE**

*"From the beginning to the end, Hotel Sorella gave us confidence that our 2010 yearly finance conference would be a great success.*

*Hotel Sorella was very accommodating, went above and beyond the call of duty, were very service & detailed oriented, answered questions ASAP and never left you dangling. I highly recommend Hotel Sorella as you will not only have a great event but will enjoy their great facility and uplifting atmosphere."*

**Ruth Rogers, Cameron International**

*"We wanted to say thank you for the wonderful experience last week with Hotel Sorella. You were a joy to work with in the planning process and made it very easy for us. The location of the hotel was perfect. Our guests enjoyed the ease of the sky bridge to the conference center and the convenience of the plaza with other entertainment options. The staff at the hotel always had a smile on their faces and were there to answer my questions."*

**Vargo Williams, Mascoat Products**

*"The reason I like scheduling my HR events at Hotel Sorella is the convenience. My guests can walk to restaurants, shops etc. So we don't have the added charge of taxi services. This being my group's second time to visit Hotel Sorella, they love it. I love working with you guys as well, you aren't pushy, and you guys are very easy to work with, which makes my job easier."*

**Lisa Kliebert, Complete Production Services**

*"Everybody love, love, loved the Sunday reception. It is still the talk of the meeting. They loved that it was different than anything ever done before, the food was wonderful. Many thanks to all of you who had a hand in this. Your front desk associates are the most amazing people! Their service was excellent all the time, no matter what the request."*
